** trail is not maintained by HMBA

DIRECTIONS TO BIKE PARK

GET IN THE KNOW

- **Be aware of wildlife**—black bears, grizzly bears, moose, elk, and cougars may be encountered in the Hinton area.
- Users of this map assume their own risk in relation to risks and hazards associated with mountain biking. Hazards may include terrain and features, wilderness travel, weather, wildlife, etc.
- **Ride to your own ability.**
- The landscape is constantly changing so keep in mind that it may differ from what is depicted on this map.
- **Plan ahead and be prepared**—bring appropriate amounts of food, water, clothing, a first aid kit and equipment for you ride.
- **Always wear a helmet.**
- Bike with a friend or in a group.
- Let someone know where you are going and how long you will be.
- **Enjoy the trails!**

TRAIL ETIQUETTE

- **Respect other trail users**, pass with care and yield to pedestrians.
- **Don't litter!** Leave no trace and pack out any litter.
- Respect wildlife.
- All terrain vehicles (ATVs) and motor bikes are not permitted on singletrack trails.
- **Stay on existing trails.**
- Dogs are permitted on trails but should be kept under control.
- Avoid riding around mudholes which will widen that trail and damage vegetation.

- Direction of Travel
- ①.4 Distance between trail junctions (km)

Trail connections are double track trails or old gravel roads that are not maintained.

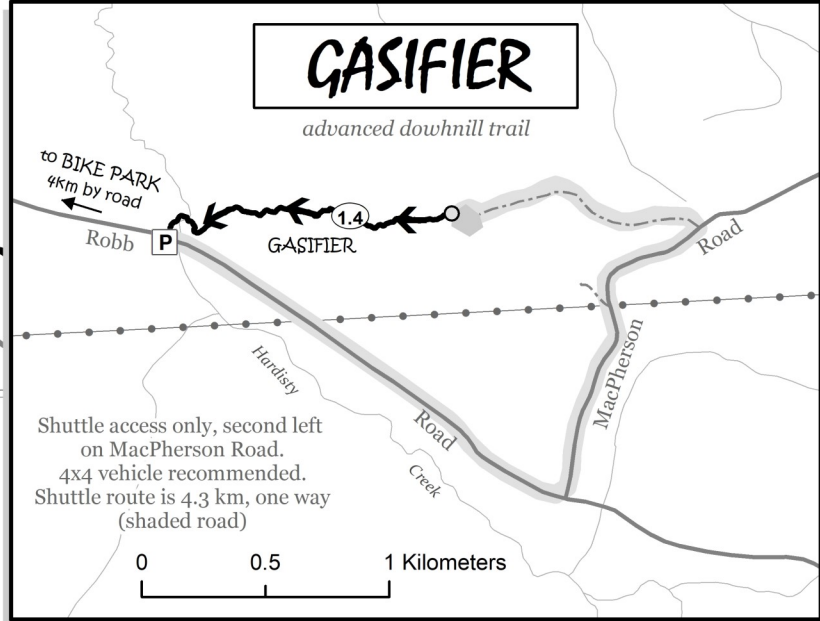

JACK'S TRAIL SYSTEM

Jack's Trail System can be ridden in both directions, but clockwise travel is recommended to allow for downhill fun and flow.

GASIFIER

advanced downhill trail

Shuttle access only, second left on MacPherson Road. 4x4 vehicle recommended. Shuttle route is 4.3 km, one way (shaded road)
